Height	94cm		
Seat Width	40cm	45cm	50cm
Seat Depth	43cm		
Seat Height	52cm		
Back Height	52cm		

## Weights

Product Weight	17kg
Weight Capacity (Max User Mass)	135kg

## Product Data

Product Codes:

XS2SP16SIL - SW 40cm (16")

XS2SP18SIL - SW 45cm (18")

XS2SP20SIL - SW 50cm (20")

The XS2 Aluminium Wheelchair consists of a sturdy lightweight aluminium frame which is both durable and stylish.

Incorporating a simple folding mechanism with half-folding backrest, removable arms as well as quick-release footrests and self-propelling rear wheels allow space-saving storage and easy transportation.

Padded desk-style armrests provide additional comfort and allow unhindered access to work surfaces.

Footrests swing in and out to enable transfers on and off the chair, whilst the flip-up armrests facilitate side transfers

Incorporated as standard are a seat cushion, tension adjustable backrest and push-button length adjustment on armrests, allowing the chair to be easily adapted to suit comfort preferences.

A one-touch lap belt is also supplied, providing additional stability for user whilst long-reach brakes on the rear wheels give easy access to attendant and user for increased safety.
