The D150F Full Face Mask provides flexibility and comfort at the highest level. Characteristic for the D150F mask is its extraordinary adaptability.

#### FEATURES & BENEFITS:

- Silicone cushion is available in three different sizes: S, M, L.
- Replacable cushions and headgears.
- Entirely, adaptable headgear.
- Tubing and elbow attachment rotation of 360°.
- Adjustable tilt mechanism for the forehead pad.
- Latex free.

The D150F Full Face Mask ensures a unique comfort with the one piece molded silicone cushion.

The Full Face Mask is available in three different sizes. Adjustable Velcro straps at the headgear guarantee an optimal fit of the mask. The D150F can be adjusted and removed very fast by the One-click Mechanism.

A tubing and elbow attachment 360° rotation allows an optimal sleep position adapted to the user's needs.

The D150F Full Face Mask promises an easy exertion and extensive peerless service for a refreshing CPAP therapy.

D100 Headgear
